**MEXICO CITY (June 4, 2002) – Tubos de Acero de México, S.A. (AMEX: TAM) informs about the press release of the Techint Group:**

The Techint Group, Tamsa's controlling shareholder, published today the following press release:

"With reference to an article today in the journal, Milano Finanza, referring to an imminent public exchange offer by a holding company constituted in Luxemburg for the shares of Dalmine S.p.A. (Italy), Siderca S.A.I.C. (Argentina) and Tubos de Acero de México S.A. (Mexico), the Techint Group clarifies that it is in the process of evaluating the convenience, timing and design of a reorganization of the group of companies forming the alliance known as Tenaris.

The transaction to which the article refers represents only one of a number of possibilities under study and evaluation, with relation to which no firm decision has been taken.

This communication does not constitute an offer or solicitation for the sale or purchase of securities of any of the companies mentioned in any jurisdiction."

*Some of the statements contained in this press release are "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended. Forward-looking statements are based on management's current views and assumptions and involve known and unknown risks that could cause actual results, performance or events to differ materially from those expressed or implied by those statements. These risks include but are not limited to risks arising from uncertainties as to future oil prices and their impact on investment programs by oil companies.*
